

Diana Bier Interiors, Inc.

Classic Elegance for Today's Homes

About Diana Bier

We are a full-service firm dedicated to providing professional design and decoration services. Our mission is to create beautiful, functional interiors that reflect the client's wishes and desires within the parameters of sound design principles.

Well versed in all design styles, we strive to help our clients discover their own distinctive personality which is then reflected in the design created for them.

Since our philosophy is that a "well planned room provide many years of enjoyment," we spend considerable time developing a comprehensive plan tailored to the client's lifestyle.
