

# An Inside View

## INTERIOR DESIGN STUDIO

*Reflect Your Style!*

## About Kathleen Clemens

An Inside View Design Studio is a full service residential and commercial interior design studio. With extensive experience in all aspects of interior design, our entire design staff is empowered to provide services ranging from construction and renovation to every detail of the design process.

Now, with the current economic downturn, is an excellent time to consider a residential or commercial remodel project. Construction prices for labor and material have decreased making your dollar worth more.

### An Inside View Interior Design Studio

- Will create a beautiful environment
- From traditional to modern in a wide variety of styles
- Harmoniously blend old and new; antique and contemporary

Our philosophy of getting to know each client personally provides an intimate understanding of their needs and dreams. Our inspiration creates distinctive interiors reflecting our client's tastes and lifestyles.
